Brown Bag CLE: *Effective Virtual Litigation and Mediation During the Pandemic*

Practitioners Keely Duke of Duke Law Group and Peter Erbland of Lake City Law kept their litigation and mediation practices thriving when the courts closed, and lawyers were forced to work from home during the Covid-19 pandemic.

*Keely Duke
Duke Law Group*

*Peter Erbland

Using web-based video platforms, Keely took and defended depositions and participated with her clients in mediation. Peter is one of Idaho's leading practitioner mediator/arbitrators, has conducted multiple mediations with parties from different locations.

Please join us for a one-hour lunch CLE as they share their tips for using technology to advance a client's interests and to resolve disputes, and as they discuss the future of web-based video technology to make litigation more efficient and cost-effective.
